# Sandlot 2009 Summer Hitting League Summary (Week 8)

## Overall Summary:

The Sandlot Summer 2009 Hitting League is now complete. During Week #8 we continued to see personal high scores throughout the divisions. Seven (7) of Twenty-Five (25) hitters, or 28% of the league, achieved their personal best scores. This summer's hitting league saw the incredible Week #7 record of 50% of the hitters topping their best scores. On average, during the summer season we witnessed 30% of the hitters topping their previous marks during any given week. We also experienced a great balance in both the boys and girls 11U divisions and played host to our youngest ever division in the 8U boys who did a great job!

## Junior Bracket Summary:

The 11U baseball championship came down to the final week, the final inning, and the final five pitches! Homerun Hitters defeated All-Stars 60-58 on a Stone Holt double with five pitches remaining in the game. Homerun Hitters won the tie-breaker over Blue Thunder (who beat Blue Lightning this week 87-61) as a result of their head-to-head victory back in week #3. Andrew Colebrook had his personal best for the victors while Ashton Engebretsen had his personal best in his team's loss. All-Stars battled closely throughout the season and fell just short. Soap slipped past Grand Slammers 58-47 on the strength of Mike Cybert's double-duty hitting (and personal best). Jahlin Jean-Baptiste had his personal high in the loss.

## Freshmen Bracket Summary:

The Freshmen bracket is argueably the biggest success story of this summer's league. This is the first time we've had a division with hitters this young and they've done a tremendous job. Their learning curve and improvement has far exceeded our expectations. Thier positive attitudes and determination has been fun to experience. This past week Travis Garnett achieved a new personal best with a super score of 55.

## Softball Summary

With the BYE victory for Zoom they clinched the softball division with a 6-1 record. Abby Rubeling and Jordan Ciruolo have completed a great season together. Foam defeated Little Rascals 90-73 to finish in 2nd place at 5-2. Katelyn Penix had her personal best for the victors. Chaos Lite defeated Smack Attack 77-57 to finish in a tie for third with Little Rascals with identical 4-3 records. Chaos Lite finished strong over the past few weeks and became a significant factor in the outcome of the division. Several girls did excellent jobs of improving during the season.

## C.H.A.M.P.S. Summary:

C.H.A.M.P.S. stands for **Coachable, Honor, Attitude, Mentor, Perseverence, Sportsmanship**. These are the character traits that we stress in Sandlot programs in developing well rounded student-athletes. A summary of the letter awards from this season are as follows: **Coachable**: Alex Preston (Week 2); **Honor**: Jahlin Jean-Baptiste and Tim Steele (Week 7); **Attitude**: Jordan Ciruolo (Week 6); **Mentor**: Matthew Newel (Week 5); **Perserverence**: Nathan Simmons (Week 4); **Sportsmanship**: Rachel Oliver, Katelyn Penix, Jamie Bahrijczuk, and Stephanie Yarrish (Week 3).
